Edellyn Farms
Silver Anniversary Sale

SCOTCH SHORTHORN CATTLE

Monday, June 5th, 1950

Thos. E. Wilson, Owner

*We
Invite you
To Our Silver
Anniversary Sale*

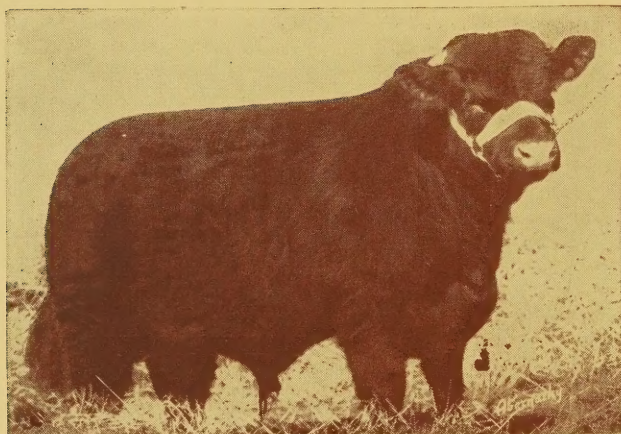

Arriving at this milestone in the history of these annual auctions we are indeed proud of the accomplishments of the Shorthorn Cattle that have paraded thru our sale ring. Starting with our first annual auction in 1926, we have sold 887 head of cattle for an overall average of \$844. This in itself is a record, but is nothing compared to the improving influence that these cattle have had on the herds of the country as reflected in every show and sale throughout the land.

No one interested in Shorthorns could but admire the string of cattle that we exhibited at the fairs last fall and winter. We were exceedingly proud of them for they were the products of a breeding program that is based on the theory that the concentration of the blood lines of Calrossie Mercury and Edellyn Royal Leader, the two greatest bulls of their time, will and does produce America's greatest improving strain.

We are very proud of this sale offering and we sincerely hope that you will avail yourself of this opportunity to visit Edellyn. We would be very happy if you would plan on arriving on Sunday, the day prior to the sale, to not only have a good look at the sale cattle, but the breeding herd, the young calves and stock bulls as well. We do hope you will come and help us celebrate our Silver Anniversary Sale.

show season*

One year later after winning the summer yearling class everywhere, which included Illinois, Indiana, Iowa, and Wisconsin State Fairs, American Royal National, International, Denver and finishing the season in a blaze of glory, winning the grand championship at Ft. Worth. He also was a member of Edellyn Royal Leader's undefeated get-of-sire, three bull and two bull groups. We appreciate the Rasmussens courtesy in allowing us the use of this wonderful bull to breed our Sale heifers. Be sure and see him sale day.

CALROSSIE MERCURY—

His record will live thru the years as the greatest improving influences the breed has ever known. Near perfect in conformation and breeding, the prepotency of the line is well established thru the continued success of the Mercurys everywhere. The Mercury Dynasty won the worlds highest honor when Big Boy, a great grandson of Calrossie Mercury, won the Grand Championship over all breeds at the International. A grandson, Gregg Farms Hoarfrost, the latest to bid for fame, was reserve grand champion at the last International and grand champion at Denver.

Saltoun Squadron Leader

SALTOUN SQUADRON LEADER—

Purchased at Perth, 1946, where he stood third in the younger March class. He represents no violent out-cross but a further infusion of the MacGillivray blood lines already well established in the herd. The calves by his first bulls are now old enough to show that they really are "going to do." His daughters are making outstanding cows and from all indications Saltoun Squadron Leader is going to get the job done. Be sure and see the calves by his son in the Edellyn barns on sale day.

EDELLYN DIAMOND MERCURY—

The outstanding breeding son of Calrossie Mercury and who is out of the same dam as Edellyn Royal Leader. He is the sire of Edellyn Express Mercury, the prize winning junior bull that sold in last years sale to LeRoy Egbert of Botkins, Ohio. He is also the sire of Edellyn Twofold Mercury, grand champion at Iowa as a calf now siring calves of exceptional merit at Edellyn. No bulls sired by Diamond in this years sale but there will be one in next years show herd that will take some watching. His females have all turned out well and we recommend them highly.

A favorite son of the All-American Favorite, out of one of Calrossie Mercury's grandest daughters. He was undefeated in the senior yearling class during the 1946 season. His calves made the show herd last year and Edellyn Royal Leader 114th won the junior bull class at American Royal National, Chicago International, Denver and Ft. Worth. A pair of his calves won at K. C. Denver, Ft. Worth and were second at Chicago. His get of sire, composed of young calves were always near the top. Here is a real breeding bull.

Edellyn All-Star Mercury

EDELLYN ALL-STAR MERCURY—
Grand Champion at the Iowa State Fair (1948), first at Illinois, Indiana and American Royal and member of the winning 3 bull and 2 bull groups at these same shows. Edellyn Flossy Shane 4th, his dam, was grand champion female at Ft. Worth as a calf. Study this bull's pedigree and you will note that the granddam is our famous Calrossie Flossy Shane, one of the few Collynie Royal Leader cows to come to America. This bull is breeding and at next years shows will have some calves to prove that we were right in putting him in heavy service at Edellyn.
